Service Profile: West Side Federation for Senior Housing, Inc. (WSFSH) is a community-based organization responding to the need for low-cost housing and food. The mission of WSFSH is to provide safe, affordable housing with supportive services within a residential setting. WSFSH develops, manages, and provides social services in housing for low income persons, especially the elderly, homeless, and those with mental illness. WSFSH also operates a soup kitchen on the premises, open 365 days a year.
